# JOHANNESBURG

Johannesburg is one of Africa's biggest and most vibrant cities. It is the economic capital of Africa and the gateway to Southern Africa. Although not as famous as other South African destinations, there is plenty to do in Johannesburg and nearby Pretoria. The old city is a multi-cultural mixture of traditional medicine shops, Chinese restaurants, taxi ranks and ultra-modern skyscrapers.

There are excellent museums, art galleries and organized tours of historical and political interest. The shopping is Southern Africa's best and the many restaurants cater for all tastes. The nearby township of Soweto is Johannesburg's most popular tourist attraction.

# SABI SAND PRIVATE GAME RESERVE

Adjacent to the Kruger National Park, the Sabi Sand Private Game Reserve is a private premier game viewing destination. It was the first ever private nature reserve established in South Africa. The landscape features 65 000 hectares of savannah-covered land interspersed with watering holes, dry river beds, lowveld woodlands, and the perennial Sabi and Sand rivers.

This spectacular reserve offers exceptional game viewing opportunities with frequent sightings of the renowned Big Five as well as cheetah, zebra, giraffe, and a variety of antelope. Visitors can enjoy excellent wildlife viewing, dining under the stars, guided bush walks and enjoying a stay in some of South Africa's most luxurious safari lodges.

# CAPE TOWN

Resting at the confluence of the Indian and Atlantic oceans, sandwiched between the slopes of the iconic Table Mountain and the glistening sapphire waters of Table Bay, the exceptionally scenic city of Cape Town is in a class of its own.

Some cities boast rich culture, vibrant nightlife, a cosmopolitan atmosphere and extraordinary architecture, while others boast breathtaking landscapes and extraordinary natural wonders. Cape Town is lucky enough to be blessed with all of these attractions and so much more.

With its bustling harbor, world-class beaches, top-notch vineyards, and its mountainous surroundings brimming with diverse flora and fauna, Cape Town consistently captivates the hearts of all who visit.

# NAMAQUALAND

Stretching for over 1000 kilometres along South Africa's scenic West Coast, the Namaqualand is known for its stark, arid beauty. Once a year in early Spring, the Namaqualand landscape explodes into a kaleidoscope of colour. The dusty plains are transformed into a blanket of thousands of flowering wildflowers. International and local visitors flock here to see this seasonal natural splendour. Aside from the endless photogenic landscapes, visitors can look forward to viewing a wide variety of wildlife and exploring the quaint seaside towns dotting the coast as well as the various historic towns scattered in the hinterland.

# LIVINGSTONE (VICTORIA FALLS)

Located a few kilometres from the Zambezi River in southwestern Zambia, the bustling town of Livingstone is famous as the home of the magnificent Victoria Falls. One of the original natural wonders of the world, the World Heritage Site is known locally as 'The Smoke that Thunders'. This spectacle is accessible from both Zambia and Zimbabwe and is an ideal place to combine game viewing and water sports.

There is excellent fishing, a terrifying bungee jump and arguably the best commercial whitewater rafting in the world. Visitors can hike around the falls or try ziplining or the bridge swing. Those seeking more leisurely activities can take sunset cruises along the river, with champagne and snacks included, meander through the vibrant local Livingstone Market, or discover the region's history and archeology at the Livingstone Museum.
