# WHY VISIT CAPE TOWN AND PRETORIA?

Gauteng and Cape Town, two of South Africa's most iconic destinations, offer unique and diverse experiences that make them must-visit places. Gauteng, home to Johannesburg and Pretoria, is a bustling hub of commerce, culture, and history. The vibrant energy of Johannesburg's cityscape, the Apartheid Museum's poignant lessons, and the sprawling wildlife reserves like the Pilanesberg National Park make Gauteng a dynamic and immersive destination.

In contrast, Cape Town, nestled beneath the majestic Table Mountain, is a city of unrivaled natural beauty and a relaxed coastal lifestyle. Visitors are drawn to its stunning beaches, the Cape Winelands' vineyard-dotted valleys, and Robben Island's powerful history. Whether you seek urban excitement and historical depth in Gauteng or natural wonder and scenic serenity in Cape Town, both destinations offer something for every traveler, creating an unforgettable South African experience.

# WHY SOUTH AFRICA?

South Africa, on the continent's southern tip, is the 25th-largest country in the world – slightly less than twice the size of Texas. It boasts a lengthy coastline, stretching more than 1,500 miles along two oceans, the South Atlantic on the west and the Indian on the south and east. South Africa is neighboured by Namibia in the northwest, Zimbabwe and Botswana in the north, with Mozambique, Swaziland and Lesotho in the northeast.

Its natural beauty and scenic wonders are legendary, from its soaring mountain peaks and passes, dense and ancient forests, to its miles of unspoiled coastline and rolling flower fields and grasslands of every hue. South Africa truly offers something to lift everyone's spirits.

South Africa is known as the adventure capital of the world. Whether it's seeing the big game animals, diving with Great White Sharks, death defying adventure sports or discovering the humanity and generosity of other cultures. Game viewing and safari in South Africa is as up-close and wild as it gets. Almost anywhere you travel in South Africa you will experience an overwhelming abundance of nature, wildlife, culture, adventure, heritage and good vibes.

One of the world's most captivating cities, Cape Town – and the Cape Peninsula up to Cape Point – are famous for its scenic beauty and celebrity beaches, 3,500 foot Table Mountain rising above the city, whale-watching, world-class shopping, nightlife, food & wine, and a laid-back atmosphere. Indeed, with wine regions stretching from the Western to the far Northern Cape and the edge of the Karoo, one can almost taste their way around South Africa.

When it's time to plan the most exotic golf getaway imaginable, think South Africa. The quintet of Sun City, Johannesburg, Cape Town, the Garden Route and Durban will provide the trip of a lifetime and memories for a lifetime too.
